SAFETY NEWSLETTER

In This Issue

November 2012

Operating a business is difficult and many businesses do not have regular access to safety professionals. **MySafetyPoint.com** is a web-based tool that was created to help your company recognize hazards and implement controls to reduce risk, thereby, saving your company money.

MySafetyPoint (MSP) is available to you **free of charge** and includes self-service safety, loss prevention and risk management resources to help you prevent employee injuries and other losses.

The **MSP** website provides you with safety resources that include:

- **Sample Safety Programs & Technical Guides**
- **Supervisor Toolbox Safety Talks**
- **Safety Forms & Checklists**
- **FREE Streaming Safety Videos**
- **Access to DVD's & On-Line Training**
- **Newsletters & Feeds to Safety Bulletins**
- **Self-Assessment Risk Management Tools**
- **Federal & State Agency Regulations**
- **Links to Aligned Vendors with Safety Solutions and much more.**
